FROM: Chief of Base, Pulisch  
SUBJECT: GENERAL—Operational/CART  
SPECIFIC Trace Request  
REF: EOLA-10193

Traces are requested on the following persons:

1. Istvan (Stefan) STOLTE: Born 15 November 1910 in Nyiregyhaza, Hungary. STOLTE is reported to have been active in the period 1928 to 1930 in the illegal Communist Party in Budapest. In 1932 he was sentenced to six months in prison for high treason. He was again arrested in 1944 and brought to Bavaria. Here he is reported to have developed connections with American troops in Simbach. He is later reported to have been active with CIC in Wasserburg. Subject disappeared from the German scene after his service with CIC and reportedly went back to Budapest where he was a witness in the RAJK Trial. Rumors point to possible kidnapping.
2. Anton STEIN: Hungarian emigrant, presently living in Munich and residing at Liegsalzstr. #46 (in 1951). The Liegsalzstrasse address is reported to have been a meeting place of the MHAK in 1951. STEIN ran a canteen in the Funk Kaserne in 1952. He is finally reported to have emigrated to Canada.
3. Zoltan MAKRA, g Dr. HAOY, g Kalman VAMOSC: Born 17 December 1921 in Lendari, Slovakia. Present address: Nicolei Platz #1/III, Munich. Subject was editor of the Hungarian emigrant newspaper HUNGARIA from 1950 to 1951. Since then he has held positions with Radio Free Europe and allegedly with CIC as translator.
4. Istvan HAJDU: Born 2 July 1923 in Budapest. Subject appeared in Linz in 1947 and was held by CIC for two months on suspicion of espionage. He appeared again in Linz in 1948 and maintained that in the elapsed time he had been in France. He appeared again in 1949 and maintained that he had been arrested by the Soviets and placed in a military prison and that he had also spent considerable time in Hungarian prisons. Subject is suspected of espionage activities on the part of the HBG.
5. HADU-KEDETH, fms: It is known that Subject was vice president of the Industry and Trade Committee of the UNK (presumably Hungarian National Committee).
